A plan review may be required before work is started. Only homes of under 3500 square feet are exempt from plan review. Have plans submitted for plan review?

Yes
 No
 Not Required

HOMEOWNERS AFFIDAVIT: I hereby certify that the electrical work described above shall be installed by myself in my single family dwelling in which I live or am about to occupy. All work shall be installed in accordance with the Michigan State Electrical Code **and will not be covered, enclosed or put into service until it has been inspected and approved by a city inspector. I will cooperate with the city and assume all responsibility to arrange for and obtain all necessary inspections.** SECTION 23a of the State Construction Codes Act of 1972, Act No. 230 of Public Acts of 1972, being Section 125.1523a of Michigan Compiled Laws, prohibit a person from conspiring to circumvent the licensing requirements of this State relating to persons who perform work on, or construction of residential buildings.

VIOLATORS OF SECTION 23a ARE SUBJECT TO CIVIL FINES.

EXPIRATION OF PERMIT: A permit remains valid up to one year as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after the issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time of commencing the work. A permit will be cancelled when no inspections are requested and conducted within six months of the date of issuance or the date of a previous inspection. Cancelled permits cannot be reinstated.
